

Howell K Thayer Chapter of the National Honor Society

Student Activity Information Form

The four pillars of the National Honor Society are scholarship, leadership, service, and character. Students that have demonstrated scholarship, by having a GPA of 3.500 or above, are invited to fill out this form in September of their junior or senior year. The five-member faculty council will use this form to assess student leadership and service. Leadership is exemplified when you are responsible for teaching, directing, or motivating others. Typical positions could be an elected club officer, team captain, or committee chairperson. Service is where you have done something on behalf of others (not including family members) for which you have received no compensation (monetary or otherwise). Service can be individual or group projects done in or out of school. Character is modeled when you are a law-abiding citizen who follows all community rules and does the right thing even when no one is looking.

In order to be considered for selection, your fully complete application must be submitted by **2:10 P.M. {Day, Date} to {adviser} in Room {number}**.
